All About Loving You by Bon Jovi

D   F#m   C   G

D   F#m
Looking at the pages of my life
        C
Faded memories of me and you
G
Mistakes you know I've made a few
D
I took some shots and fell from time
F#m
to time
        C
Baby, you were there to pull me
through
        G
We've been around the block a time
   Bm
or two
        G   A
I'm gonna lay it on the line
F#m   Bm
Ask me how we've come this far
   G   A – G – A
The answer's written in my eyes

Chorus
                D
Every time I look at you, baby, I see
F#m
something new
        G
That takes me higher than before and
Gm   /A   /Bb - /C
makes me want you more
                    D
I don't wanna sleep tonight,
                F#m   Bm
dreamin's just a waste of time
          C
When I look at what my life's been
          A
comin' to

   G   A
I'm all about lovin'
D (or Em if going to Bridge)
you

        D
I've lived, I've loved, I've lost, I've
paid some
F#m
dues, baby
C
We've been to hell and back again
G
Through it all you're always my best
Bm
friend
        G   A
For all the words I didn't say
   F#m   Bm
and all the things I didn't do
   G   A – G – A
Tonight I'm gonna find a way

Chorus

Bridge
Em   F#m   G
You can take this world away
                        /F#
You're everything I am
Em   F#m   G
Just read the lines upon my face
     A
I'm all about lovin' you

D   F#m   C   G

Chorus

D   F#m   C   G

C*(Bb)*   G*(F)*   C*(Bb)*   G*(F)*

C*(Bb)*
Sitting here wasted and wounded
          G*(F)*
At this old piano
        C*(Bb)*
Trying hard to capture the moment
            G*(F)*
This morning I don't know
          Bm*(Am)*   C*(Bb)*
'Cause a bottle of vodka is still lodged in
my head
            G*(F)*
And some blond gave me nightmares
                   C*(Bb)*
Think she's still in my bed
                             D*(C)*
As I dream about movies they won't make
of
            G*(F)*
me when I'm dead

          C*(Bb)*
With an ironclad fist
                         G*(F)*
I wake up, and French kiss the morning
            C*(Bb)*
While some marching band keeps its own
beat
               G*(F)*
In my head while we're talking
       Bm*(Am)*   C*(Bb)*
About all of the things, that I long to believe
         G*(F)*
About love, the truth, what you mean to me
         C*(Bb)*
And the truth is
            D*(C)*   G*(F)* - D/F#*(C/E)*
Baby, you're all that I need

Chorus
       Em*(Dm)*   D*(C)*   C*(Bb)*   G*(F)*
I wanna lay   You down on a bed of roses
    Em*(Dm)*   D*(C)*   C*(Bb)*   G*(F)*
For tonite   I sleep   on a bed of nails
            C*(Bb)*   G*(F)*
Oh, I want to be   Just as close as
    C*(Bb)*   G*(F)*
The Hoooly Ghost is
       Em*(Dm)*   D*(C)*   C*(Bb)*
And   lay   you   down
              G*(F)*
On a bed of roses

        C*(Bb)*
Well I'm so far away
                           G*(F)*
Step that I take on my way home
       C*(Bb)*
King's ransom in dimes
                                G*(F)*
Each night just to see through this payphone
     Bm*(Am)*   C*(Bb)*
Still I run out of time Or it's hard to get through

        G*(F)*
Till the bird on the wire   Flies me back to you
        C*(Bb)*
I'll just close my eyes,   & whisper
             D*(C)*   G*(F)* - D/F#*(C/E)*
Baby, blind love is true

Chorus

Bridge
        C*(Bb)*
Well this hotel bar hangover
D*(C)*   G*(F)*
Whiskey's gone dry the barkeeper's wig's
crooked,   And she's giving me the eye
   C*(Bb)*
I might have said yeah
                      D*(C)*   G*(F)* - D/F#*(C/E)*
But I laughed so hard I think I'd die uh yeah!

Em*(Dm)*   D*(C)*-C*(Bb)*   G*(F)* (3x)
Em*(Dm)*-D*(C)*-C*(Bb)*   G*(F)*

        C*(Bb)*
Now as you close your eyes
                        G*(F)*
Know I'll be thinking about you
        C*(Bb)*
While my mistress she calls me
                            G*(F)*
To stand in her spotlight again
        C*(Bb)*
Tonite, I won't be alone
                                 G*(F)*
But you know that don't mean I'm not lonely
        Em*(Dm)*   D*(C)*   C*(Bb)*
I've got nothing to prove for it's you
                G*(F)*
That I'd die to defend

Chasing Cars Chords by Snow Patrol,

```
A    A    A    A

A         E/G#      Dsus2        A
We'll do it all, everything, on our own.
A         E/G#      Dsus2        A
We don't need anything, or anyone.
```

Chorus 1

```
        A            E/G#
If I lay here, if I just lay here
                 Dsus2
Would you lie with me, and just forget
           A
the world.
```

```
A              E/G#
I don't quite know
        Dsus2        A
how to say how I feel

A              E/G#
Those three words,
          Dsus2              A
I said too much, but not enough.
```

Chorus 2

```
        A            E/G#
If I lay here, if I just lay here
                 Dsus2
Would you lie with me, and just forget
           A
the world.

                 A
Forget what we're told,
                  E/G#
before we get too old
               Dsus2
Show me a garden that's bursting
           A
into life.
```

```
A              E/G#
Let's waste time,
        Dsus2             A
Chasing cars, Around our heads.

A              E/G#            Dsus2
I need your grace to remind me,
            A
to find my own.
```

Chorus 2

Chorus 3

```
        A              E/G#
All that I am, all that I ever was
              Dsus2
Is here in your perfect eyes,
              A    /B    /C#
they're all I can see

              A
I don't know where,
                 E/G#
confused about how as well
                   Dsus2
just know that these things will never
           A      /B    /C#
change for us.
